

MR. JONES PROUDLY PRESENTS HIS TEAS

WHO IS MR. JONES?

Mr. Jones Company has been founded on the belief that tea is truly tasteful when its fine flavour is established through a responsible method of production. Very fine teas with attention for the environment as well as respect for the individual form the basis of the company.

Consequently ten of our teas are organically grown and six are imported on the basis of fair trade principles.

Mr. Jones only uses single source teas of the highest quality and the airtight envelopes guarantee optimal preservation of scent and taste. In addition, Mr. Jones teas only contain natural ingredients. No artificial colouring, flavouring or preservatives have been added.

And that's why Mr. Jones recommends... Mr. Jones.
